01 · OUR BRAND

Buy your stock. Grow your business.

WAREGRO is the e-commerce marketplace where shop owners, retailers and resellers buy their stock online, from trusted suppliers, at fair prices and delivered to their door.

The name says it all: **WARE** — the goods, the stock, the box — and **GRO** — growth. Every order on WAREGRO is a step forward for the business behind it.

من نحن

ويرغرو منصة تجارة إلكترونية تمكّن أصحاب المحلات والتجار من شراء سلعهم أونلاين من موردين موثوقين، بأسعار عادلة وتوصيل حتى باب المحل.

الاسم يختصر الفكرة: **WARE** تعني السلعة والصندوق، و**GRO** تعني النمو. كل طلبية على ويرغرو خطوة إلى الأمام لتجارتك.

Why we exist

05 Growth

Our success is measured by our customers' growth.

النمو

Letter W + box + growth

Letter W
Ware, the first letter of our name

The box

Growth arrow
Business that keeps rising

WAREGRO mark
The box opens, the business grows

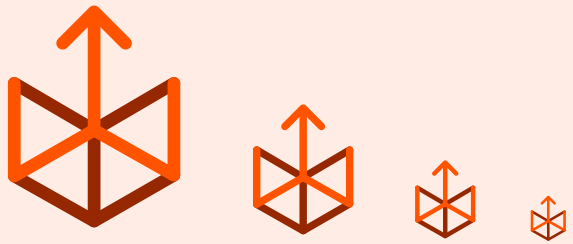

The lid of the box is open and an arrow rises out of it: what goes into a WAREGRO order comes out as growth.

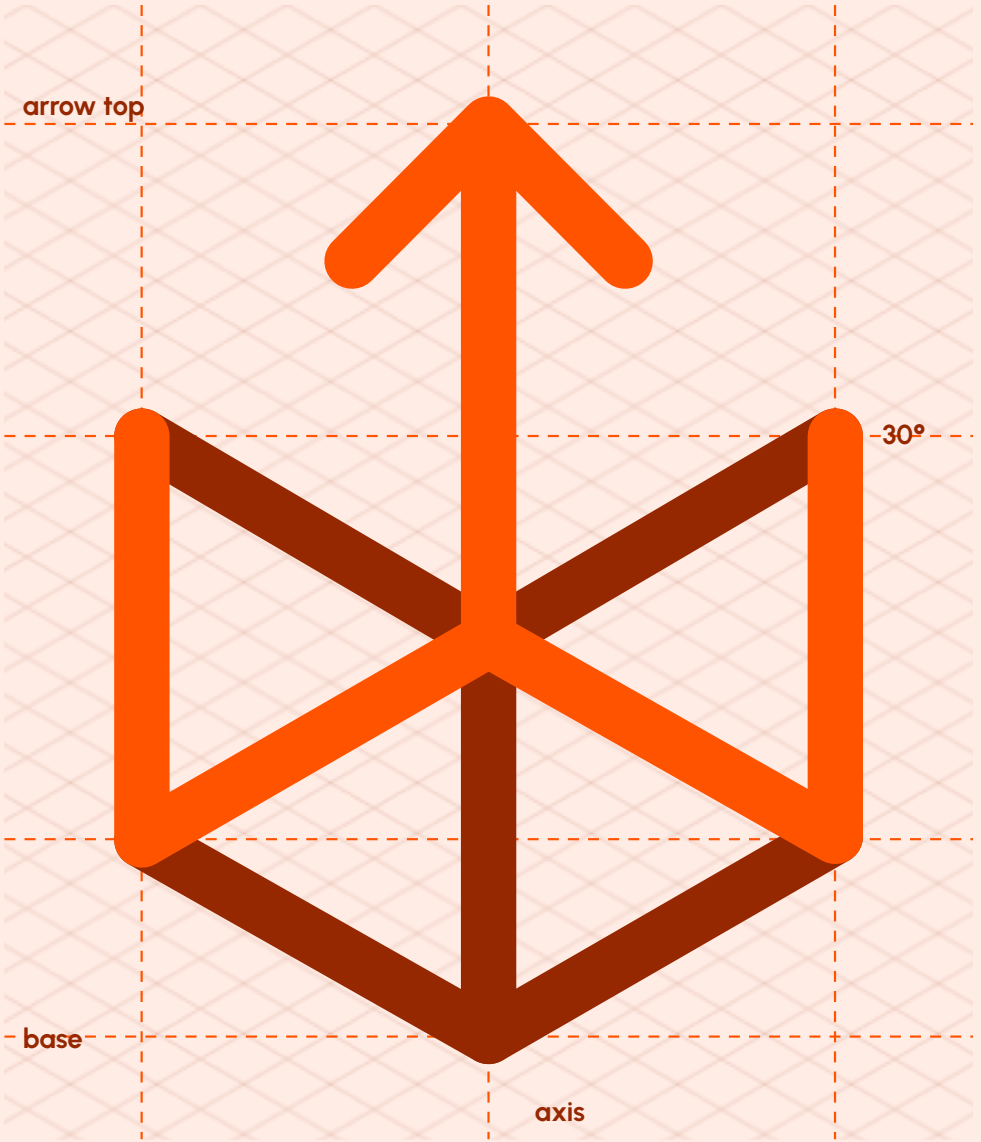

الصندوق مفتوح وسهم النمو يخرج منه: كل ما تطلبه من ويرغرو يتحوّل إلى نمو لتجارتك.

Built on the box

The mark is drawn on an isometric grid with a single stroke weight and rounded caps and joins. The stroke is 7.4% of the mark's width, so the mark stays bold even at small sizes.

The W and the arrow are always in Mystic Red. The box is in Deep Ember, or in the colour of the background version (see page 10).

One name, two scripts

WAREGRO

ويـــرغـــرو

The Latin word mark is set in heavy geometric capitals with open tracking, the same family of letters as the Waresouq system.

الكلمة العربية «ويرغرو» مكتوبة بخط هندسي، مع تمديد الكشيدة ليتساوى عرضها مع الكلمة اللاتينية.

Both word marks are supplied as outlined vector files. Never re-type the logo in a font. The Arabic and Latin word marks are always the same width when used together.

Pattern & arrow

The mark repeats as a brand pattern for packaging, backgrounds and social posts. Use it at 6–12% opacity so it never competes with content.

The rising arrow can be used alone as a graphic accent: next to numbers, growth figures and calls to action.
